Sr. PHP/Laravel/Wordpress/Lumen/API Developer

I am a seasoned PHP/Laravel/WordPress developer with over 11 years of experience leading web development teams to create successful applications. My expertise spans both backend and frontend tasks, integrating third-party APIs, and optimizing platforms for performance. I have a proven track record of liaising effectively with clients to gather requirements and deliver tailored solutions. My technical skills and leadership capabilities have consistently added value to projects.

WORK EXPERIENCE

Optimum Infosystem Private Limited   **10/2024 - Present**
